

Your Vision Benefits Look Good

Introducing EyeMed Vision Care as the administrator for your Blue Cross and Blue Shield of Illinois (BCBSIL) Vision Benefits

We're dedicated to helping you see clearly — and that's why we're working with EyeMed Vision Care for your BCBSIL vision benefits.

EyeMed's network of contracted providers gives you the flexibility to get the in-network benefits from thousands of independent and retail providers. No matter which provider you choose, our vision benefits plan is designed to be easy to use.

Convenient network

You have access to one of the nation's largest networks of independent eye doctors as well as well-known retail providers. Many in-network providers offer extended weeknight and weekend hours and online appointment scheduling.

Choose eyewear that suits your style

Select frames from a wide variety of popular designer brands in the store without frame towers, special collections or contact lens formularies.

Discounts*

- 20 percent off nonprescription sunglasses
- 15 percent off retail or 5 percent off the promotional price of LASIK (for more information, call **877-5LASER6**)
- 20 percent off any vision accessory not covered by your benefit plan

*The discounts are subject to change and may be discontinued at any time. Please check your benefit booklet or call the customer service number on the back of your ID card.

Follow these 3 steps to find a network provider and use your in-network benefits:

1. Locate a provider.

Visit eyemed.com and use their Enhanced Provider Search tool to find a provider (be sure to indicate the Select network), or call the EyeMed Customer Care Center at **844-684-2254**.

2. Receive care and eyewear.

Tell your provider your name and date of birth, or download the EyeMed app to access your digital vision card right from your mobile device.

3. Your claim is processed.

In-network providers file claims on your behalf, so you won't have to. If you visit out-of-network providers, submit your claim and applicable receipts to EyeMed.

The out-of-network claim would be submitted to:
